

How Do I Draw Faces and Figures?

Get the low-down in these online resources, complete with instructional videos on how to make your faces and figures measure up to your expectations.

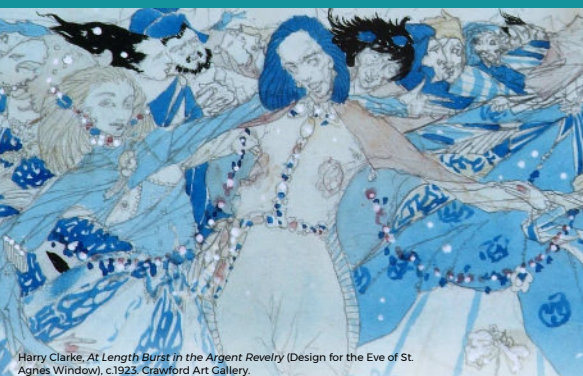

Mix Your Media

Artist Mary Galvin explains how she makes 'grounds' or interesting backgrounds as a starting point; getting rid of the white page helps to free up her drawing. Watch Mary talk through ways to combine different sources and media.

Exploring Influences

Why do we look to others when developing ideas for our own artworks? Get to the bottom of this question and kickstart your research with a helpful downloadable guide and time-lapse video, made by artist and art teacher Avril O'Brien.

Need an Escape?

Immerse yourself in a virtual art jigsaw. Challenge your friends and family to a timed puzzle championship.
